DOUBLY PROVEN

Alma Readers Can No Longer Doubt the Evidence.

This grateful citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed. Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit. C. E. Webster, cattle buyer, W. Center St., Ithaca, Mich., says: "For years I was in bad shape from kidney trouble. My kidneys didn't act right. I had severe attacks of backache and I could hardly straighten after stooping. At times I was nervous and dizzy. I was restless at night and in the morning felt tired. I used Doan's Kidney Pills and they gave me great relief in every way."

OVER SIX YEARS LATER, Mr. Webster said: "I still use Doan's Kidney Pills once in awhile and don't know what I would do without them. I am glad to recommend this medicine."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Webster had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—adv.

CHARLES W. BENNETT HAD

KIDNEY TROUBLE 50 YEARS

I am a soldier of '61 to '65, and a resident of Coldwater for over twenty years, and for over thirty years followed the business of traveling salesman; well known over Ohio, Indiana and Michigan.

For over fifty years I have been frequently down and out from kidney trouble. I have tried everything that came to my notice, that was recommended for that disease with no beneficial results until "San-Yak" was brought to my notice. I had very little faith, but before one bottle was used I found I was being helped. I have now taken five bottles and am nearly cured. I shall continue as I realize that I could not expect a disease of the fifty years' suffering to be cured quickly. If this testimonial will help any sufferer to find relief, I shall be sufficiently remunerated, and you are privileged to use it as may best suit your convenience.

Yours very truly,

CHARLES W. BENNETT,

Coldwater, Michigan.

241 Division St.

Mr. Besdan came to the store—Battlement Drug Co., Benton Harbor, Mich., with another man and said:

"If you will take three bottles of San-Yak and if it does not cure you, I will pay for the medicine myself. My nerves were all going to pieces and I was run down and could not sleep. Since taking San-Yak I feel better than I have in ten years and I am 83 years old and can now walk at least four miles every day."

"WILLIAM BESDAN."

1030 Lavette St., Benton Harbor, Mich.

A slight degree of kidney trouble affects the mind and body, nephritis (inflammation of the kidneys) causes mental diseases in two ways: Through changes in the walls of the blood vessels and through poisonous changes in the blood. Creatin, creatin and potassium salts, commonly produced in kidney diseases, irritate the lining of the animal brain.

San-Yak is the remedy that does actual wonderful daily good. It prevents the self-poisoning from which so many people suffer, thereby keeping the arteries soft and flexible at ages past fifty. No better proof could be had than from the following letters:

Mrs. Jennima Tickle, Selina, Ohio, (grandmother of Perry Baker, county treasurer). She is 90 years old and was subject to a great dizziness and fainting spells, high blood pressure, stiff and clumsy in the muscles, but after taking San-Yak is again in normal health, being able to do her own housework and washing. She says she can walk a mile with most of the young folks.

J. B. White, ex-chief of police of Marion, Ind., and recently has become proprietor of the Hotel DeSoto, states as follows:

"SAN YAK, yes, I know that medicine. I used four bottles while I was in Benton Harbor, Mich. I was subject to short breath, heart, kidney, bladder and liver troubles; bad blood. I am pleased to have an opportunity to recommend San-Yak to my friends. It is a wonderful medicine and its claims are true. Yours with pleasure."

"J. B. WHITE."

P. A. Kellogg, 289 Second St., Benton Harbor, says: "San-Yak cured me of paralysis of five years standing. I had bad action of the kidneys, bladder and liver for many years. The hardening of the arteries has disappeared. People of advanced years should use San-Yak for health's sake and a longer life of activity and usefulness."

Dr. J. J. Weir, the eminent children's specialist, Millburg, Mich., says: "This is to certify that I have prescribed San-Yak for a bad case of stomach trouble and I am glad to say it helped really beyond my expectations. I can cheerfully recommend it to any one so afflicted. One teaspoonful in glass of water half hour before breakfast beats all antiseptics and tonics for the stomach, bowels and kidneys. I have tried all kinds."

"Of late years I have been troubled with my heart. Upon being examined the doctors told me it was high blood pressure. They tried to relieve me but did no good. I was told to try San-Yak on a guarantee which I did and am now very thankful. I have taken several bottles and am not now troubled one bit with my heart. My blood pressure is now down to normal. It is also a very good tonic, for I now feel the best I have felt for several years."

"T. J. Parr, R. F. D. 3, Benton Harbor."

HOW TO REGULATE HIGH BLOOD PRESSURE

A dollar laid out to aid health is not an expenditure, but a loan; which will be returned a hundred fold.

Take San-Yak. It prevents a honey like hardening of the arteries at ages past 50 years. Dr. Burnham's San-Yak is the sure way to prevent Paralysis and apoplexy. In its use you have prevented or cured bladder and kidney trouble. It is the greatest in use to prevent the clumsy stiff joints and muscles and for Neuritis or Rheumatism and Constipation.

What this prescription does for other people it will do for you and we can supply every person that you get the results needed.
